

Trustee Opportunities

Help us write the next chapter of Plean House and Stables.

Plean House and Stables has an exciting future, and we're looking for new **Trustees** to help us re-imagine the restoration of these two historic buildings.

We're not looking for experts. We're looking for people who care.

Whether you're passionate about heritage, the local community, the environment, events, fundraising, or simply want to make a positive difference, we'd love to hear from you.

As a Trustee, you'll join a friendly, supportive and established Board, bringing your ideas, asking questions and helping guide the charity as it grows.

- We meet one evening a month.
- We are a friendly supportive Board.
- The role is voluntary (unpaid).

No previous Board experience is needed, we'll support you every step of the way.

If you've ever thought, "I'd love to help, but I don't know where to start," this could be the perfect opportunity.

Come help us write the next chapter of Plean House and Stables.

Whether you think you're ready to join us or simply want to find out more, we'd love to have an informal chat with you.

Please get in touch by **(31 October 2026)**.
